HILSEN FRA PRESIDENTEN (From our President, *Byron Stadsvold*)

We went on an eleven day road trip to the east coast of North Carolina the end of March and early April. When sites are not too much out of the way we tend to investigate art, architecture, history and genealogy (family). On this trip we uncovered some very interesting subjects that made the trip an adventure.

This prompted an idea for a future program. I am sure many of you have had similar experiences in genealogy research and would be willing to share those adventures. You could prepare a short 5 to 10 minute vignette (a surprise; how I finally found information; etc.) and learn from each other. Undoubtedly a few laughs would happen! If you think this might be of interest, please take the time to visit with me.

PARTICIPATE IN "MIDSUMMER MADNESS"

This summer Sons of Norway members can grow their Lodges and win prizes. From May until the end of August, for every three new members you recruit you'll receive a newly designed 2011 Sons of Norway coffee mug. Members are eligible to win up to 4 mugs. Then, for your thirteenth member recruited, you'll receive a pound of coffee! (*Editor's note: What Norwegian can resist THAT?!*) Keep in mind, each **new** dues paying member you recruit also automatically enters you in the Norwegian Experience contest, where one lucky member, and a guest, will receive a free trip of a lifetime to Norway. This includes airfare, meals, exclusive travel opportunities and upscale accommodations. (See March Newsletter, or visit www.sonsofnorway.com for more details.

FROM OUR SOCIAL DIRECTOR

Hei Hei Members and Friends,
Thank you to all who attended the April 14 meeting, where Sasha Aslanian of MN Public Radio gave an interesting presentation on “Biking in Norway WWII Trail.” If you have a bunad, be sure to wear it to the May 12 *Syttende Mai* celebration. Looking ahead, we will have **real live Fjord Horses** at our Steak Fry/Potluck on May 28, so be sure to bring children, and don’t forget your camera! Happy Spring!

FROM OUR LIBRARIAN:

There have been many requests for books from World War II and the Resistance, so four new books have been purchased on this topic. They are: Reckless Courage; The True Story of a Norwegian Boy Under Nazi Rule, by William F. Fuller and Jack Haines; Report from #24, by Gunnar Sonstebj; Assault in Norway: Sabataging the Nazi Nuclear Program, by Thomas Gallagher; and The Real Heros of Telemark, by Ray Mears.

We also have a new folktale book: Norwegian Folktales, by Peter Christen Asbjornsen.

CULTURAL CORNER

Hei hei alle sammen (Hi everyone),
Enclosed is a flyer that announces two opportunities to enrich your Norwegian heritage this coming September. Ken Magnuson, a Vesterheim Gold Medal Winner, will offer a class in **Rosemaling**, and Hanne Lucier will offer a new **Norwegian Language** beginner class. Please check the flyer for details. Please consider two “class assignments”. First, consider taking one or both of the classes yourself. On May 12th, after our business meeting, you will have an opportunity to meet Hanne and sign up for her class. And on June 9th, you will have an opportunity to hear Ken Magnuson give a presentation on Rosemaling, as well as have an opportunity to ask him questions and sign up for his class. Second, please consider sharing these opportunities with your neighbors and friends, and posting your flyer in areas that can be seen by the members of your community. These classes are a wonderful opportunity to increase community awareness of our Lodge and our mission, and to recruit potential new members.
Tusen takk,
Leslie Demmer, Culture Director
